

For those people interested in continuing in the agility program after the Introductory level, the class progression is as follows:

1. **Beginning Dog Training** (for dogs that have not taken Obedience class at Canine Academy or instructor approval)
2. **Introduction to Agility** (can be taken before Beginning Dog Training)
3. **Intermediate Dog Training**
4. **Agile-Lite** (while you are waiting to get into Beginning Agility 1 or just to continue playing in the sport)
5. **Beginning Agility 1, 2 & 3**
6. **Intermediate Agility**
7. **Advanced Agility**

I will start a new Beginning Agility 1 class from the **Beginning Agility 1 Wait List**.

A new Beginning Agility 1 class is only offered about once a year.
